

- A dedicated range of mineral and vitamin supplements to meet a wide range of farm requirements
- Formulated to the latest published nutritional requirements
- Minerals are waterproofed and contain specialist flavours to enhance palatability
- Dust free
- Cost effective
- Manufactured to strict quality control standards
- Consistent analysis and performance
- Only the highest quality ingredients are used to ensure optimum utilisation by the animal

## Rumins

# Analysis

		Calcium %	Phosphorous %	Magnesium %	Sodium %	Selenium mg/kg	Cobalt mg/kg	Iodine mg/kg	Manganese mg/kg	Zinc mg/kg	Copper mg/kg	Vitamin A iu/kg	Vitamin D3 iu/kg	Vitamin E iu/kg	
<b>Cattle GP</b>	SD01	24	2	5	8	30	90	400	3000	4000	1500	400k	80k	1000	Fully balanced with minerals and vitamins for grazing cattle, young stock and housed cattle.
<b>Cattle High Mag</b>	SD02	13	2	20	8	30	90	400	3000	4000	1500	300k	60k	250	To be fed during spring and through autumn to help prevent grass staggers. 150g provides the recommended 30g of magnesium /head/day.
<b>Dairy</b>	SD03	20	4	5	9	35	90	500	5000	6000	2500	500k	100k	1000	High level of phosphorus balanced with all essential minerals and vitamins required for high performing dairy herds.
<b>Sheep GP</b>	SD04	22	2.5	5	10	30	90	400	5000	6000	0	400k	80k	1500	A mineral for all types of sheep to maintain good flock health and productivity especially around tugging and pre-lambing time. Not suitable for fattening lambs

## Feeding Rates\*

Dairy cows	100-150 g/head/day
Suckler cows	100-125 g/head/day
Beef cattle	50-100 g/head/day
Young stock	50-100 g/head/day
Sheep	15-30 g/head/day

\* Do not exceed recommended levels

Adjust levels to allow for other sources of minerals in the diet

## Feeding:

- Place in self draining containers away from water troughs
- It is important to ensure enough feeding points:
  - one per 25 cattle
  - one per 50 sheep
- Suitable for top dressing on forage
- Typical inclusion level 1/2 - 1 bag per tonne of home mix. Do not exceed recommended feeding rates
- Packaged in 25kg weatherproof bags
